New Business: Pat Gaffney provided with following information. Past couple of years CUSHD has been a basic aid district. Primary income for the district comes from property taxes. There is loss of funding at state level of \$3.2 million. District is in the process of going through second inner report. There is expected to be additional loss of \$2.4 million. So the district is considering 4 yr. budget for possible reductions. Some of the considerations are, health class can be covered through P.E. (at present Geography covers health class), and sport can be credited for P.E.

Board has been provided all the information. All school sites have been visited. Board has requested feed back from people who want to share any ideas. They are requested to bring a report to March 3rd meeting. There is a workshop and board budget on Feb 15th at the district office and they would love to hear comments and feed back.

Music festival and Sponsorship: PTSA will give some money to the music festival. The festival needs camera ready art work and we can spend up to \$250 for this.

8th grade Parent Info Night: It is on Monday March 14th. Budget issues caused this to be 6 weeks late than usual. Cookies and punch will be provided by PTSA.

Teacher Appreciation: Lunch planning in process.

Committee Reports:

Membership: Recruit in the next meeting.

Meeting was adjourned at 8:14 p.m.
