Our Mission

Build our Prospect Pride! What do we mean by that? We want to build and empower our community to promote the confidence, success and prosperity of ALL of our students in school & at home.

We do this through parent education, teacher and student support and offering many opportunities to communicate with our Prospect teachers, staff and fellow parents.

PTSA Connects Prospect Parents

The best way to get connected and be informed at Prospect is to JOIN the PROSPECT PARENT TEACHER STUDENT ASSOCIATION (PTSA). PTSA supports Prospect through student programs & activities, building pride, family involvement and communication. We have provided Study Skills & SAT Prep Classes, Parent Education nights that included the movie Screenagers, “How to Communicate with your Teen” and College Counseling Nights. We also provide Senior Scholarships, Teacher Grants & appreciation. All with your help!
