Sparks: How Parents Can Ignite the Hidden Strengths of Teenagers

By Peter L. Benson Ph. D.

In this practical book, Dr. Peter Benson, a leading authority on childhood and adolescence, describes a simple yet powerful plan for awakening the spark that lives inside each and every young person. Sparks—when illuminated and nurtured—give young people joy, energy, and direction. They have the power to change a young person’s life from one of “surviving” to “thriving.” Grounded in new research with thousands of teenagers and parents, Sparks offers a step-by-step approach to helping teenagers discover their unique gifts, and works for all families, no matter their economic status, parenting situation, or ethnic background.

We will read chapters ahead of time for each meeting and discuss. For the March 27th meeting: Read the first three chapters. Bring a friend. Light refreshments provided and bring an appetizer if you can no worries if you can't. Fun and informative. Questions: email Lisa Palumbo at [l.palumbo9@gmail.com](mailto:l.palumbo9@gmail.com)

ORDER BOOK NOW through [Amazon](#). It takes a good week to get here. Lisa will share the first three chapters if you can't get it before first meeting.

As always, we love your feedback as this is what PTSA is about, getting involved and being heard. Please email any questions or comments to

president@ProspectPTSA.org .

Thanks for helping us Build the Pride!
