### Parent topic: CPM Math Night - Math Dept. 7:30-8:30pm

Are you confused about how to help your student with the CPM (College Preparatory Math) Curriculum? Then come to the CPM Math Night and learn from our PHS math faculty about what CPM is and what our math faculty is doing to make this math curriculum more effective. The CPM Math Night was well attended last year and parents found this very useful.

Donna Yuen is our PTSA leader of our CPM Math committee. Her goal is to solicit feedback from parents who have students struggling with CPM or **who aren't** being challenged enough so that she can share this **feedback** with the teachers **and the administration** so that possible solutions can be explored and worked out. Please contact her at: [donnaryuen@aol.com](mailto:donnaryuen@aol.com) and **let her know how PHS can help your student.**
